ABOUT US

Prima azienda in Italia a portare gli smartwatch all'interno delle gioiellerie, Techmade ha rafforzato la sua presenza nel tempo con continue novità.
Il suo obiettivo si concretizza con una visione chiara: ricercare lo smartwatch perfetto per ognuno di noi.
Eleganza, Stile e Innovazione sono i tre pilastri fondanti che collocano la Techmade in una posizione privilegiata in ambito wearable tech.
Freetime, Rocks e Move sono solo alcuni esempi dell'innovazione unita allo stile. Smartwatch Colorati, glamour, sportivi ma soprattutto funzionali ed accessibili. Tutto questo è Techmade!

The first company in Italy to bring smartwatches into jewelry shops, Techmade has strengthened its presence over time with continuous innovations.
Its goal is achieved with a clear vision: find the perfect smartwatch for each of us.
Elegance, Style and Innovation are the three founding pillars that place Techmade in a privileged position in the wearable tech field.
Freetime, Rocks and Move are just some examples of innovation combined with style. Colorful, glamorous, sporty smartwatches but above all functional and affordable. All this is Techmade!

REASON WHY

Con oltre 15 anni di esperienza nell'ambito dell'information technology, Techmade oggi è una delle aziende italiane più conosciute per la produzione di smartwatch.
Design, scelta dei materiali, colori, user experience sono solo alcuni degli aspetti che non sfuggono allo sguardo vigile del team Techmade.
Perché scegliere Techmade? I prodotti Techmade sono una promessa, la promessa di esserci in ogni fase, dalla produzione al post vendita.
Techmade c'è. C'è quando sceglie con cura i materiali.
C'è quando progetta nuovi design. C'è quando sviluppa nuove app.
C'è quando controlla la qualità dei prodotti.
Per qualsiasi informazioni contatta info@techmade.eu

With over 15 years of experience in the field of information technology, Techmade today is one of the best known Italian companies for the smartwatch productions.
Design, choice of materials, colors, user experience are just some of the aspects that do not escape the watchful eye of the Techmade team.
Why choose Techmade? Techmade products are a promise, the promise to be there at every stage from production to after-sales.
Techmade is there. Is there when it carefully chooses the materials.
Is there when it creates new designs. Is there when it develops new apps. Is there when it checks the quality of the products.
